

UNITED STATES SENATE  
WASHINGTON, D. C. 20510

CONNIE MACK  
FLORIDA

June 16, 1995

Dear Mr. Malamud,

Thank you for making the Joint Economic Committee's hearing on the 21st Century Economy a success.

This hearing was a modest example of how technologies of the information revolution are changing American government. I can foresee future hearings in which all witnesses have the opportunity to testify from their homes or offices, and all Americans will be able to participate via the Internet.

We could not have done it without the professional guidance and help from you and your staff. Please pass along my appreciation to them.

Congratulations on a job well done!

Sincerely,

A handwritten signature in cursive script that reads "Connie Mack".

Connie Mack  
Chairman  
Joint Economic Committee
